Dear Wendy,

Thank you for taking me on board to help with the children and youth work, it has been great working with you and seeing how effortlessly you have led as the leader. The time we took the youth to see the passion of Christ, it was nice to get to know you, and you have been so hospitable on many occasions. I wish you all the best, it's still a comfort knowing you will be around.

Lots of love Chioma

Hi Wendy, Thanks so much for all your effort and boundless enthusiasm in leading the children's church activities. It really has been great working with you. Thank you for all the effort you put in behind the scenes; planning the schedules, sending reminders to the leaders/helpers each week, helping to get things setup/cleared up Sunday mornings, and so much more; and especially during lockdown when you put together activity packs for the kids to use at home and arranged deliveries.

Wishing you all the best with your future plans. We know you will continue to be a massive blessing in what you do next. We pray that God will continue to bless and sustain you.

To Wendy,

It has been an absolute pleasure to work with you. Thanks for all your personal encouragement over the last few years which has helped me to keep on keeping on. Thanks for all the innovative ways you have brought families together and mobilised a wonderful group of volunteers. Heidi and I have been able to connect with so many families because of your support, especially throughout the pandemic. Your enthusiasm and love for the local church is a model for everyone. Well done for all the parents and kids you have cared for over the years, the impact of which, I'm sure, will be evident in the years to come. Enjoy spending more time with parents and adopting huskies!

Thanks you for all your hard work.. God Bless you as you move forward. May you know His Grace and Peace.

Janet

Dear Wendy

Thank you for your dedicated work

With the children of PBC

Your sincere passion for the role

Was evident for all to see!

You planted seeds of faith in our children

To nurture and to nourish

And with God's light shining brightly

They will surely grow and flourish!

Now, as you leave the team to dedicate

Your time to honour your parents

The huge void you leave will be palpable

Such was the touch of your presence.

Wendy, may the Lord bless you and keep you

May His face shine on you and glow

May His grace forever surround you

And His peace be within you, wherever you go!

With love now and always, Alison xx
