

HAPPY
Birthday
FROM *all* OF
us!

HAPPY BIRTHDAY MY LOVE!
I hope this year and every year
after is filled with so many dreams
and adventures, you won't even
know what to do with them all.
You have helped so many people
(especially me), and you deserve
all the best the world has to offer.
Thank you for being who you
are, and for being my squeeze
machine. Love Forever -- Whit

Lauri, happyhappy
birthday! I love that
these are your dreams, to
become a master of
outdoor survival and to
work towards obtaining
your college degree.
Selfishly, I want to glean
all of your wilderness
wisdom from you because
you are an intelligent,
adventurous, wilderness
survivalist BADASS!

Teach me your bug-eating,
shelter-building, forest
navigating ways! You give
so much to support the
dreams of others and in
return, I am happy to see
your dreams come true.
Sending love to you on
your birthday!
