Hey Mr.Khuu,  
I know you have known me for almost 2 years and you probably like my sister more but just want to appreciate how you handled teaching over this distance learning and I wanted to say Thank You.

Hi, Mr.Khuu

Thank you for being such an amazing math teacher! To be honest I was hoping that I would get you for math this year. You make math class so much more fun and easier. I really appreciate how easy going you are! Thank you one again for caring about us and making a huge impact

HEY MR. KHUU,  
I APPRECIATE HOW YOU KEEP THE CLASS  
ENGAGING EVEN WHILE SOME OF US ARE IN  
DISTANCE LEARNING. IT HAS BEEN FUN  
BEING IN YOUR CLASS THESE LAST FEW  
YEARS.
