Hi Debbie:

Thank you for all you have shared over the years and for all the service you have done for JFT. Sometimes nearer and sometimes farther away I have loved knowing you in recovery and you are one of those people whom I look forward to seeing and have so much admiration for.

Keep Coming! Much Love,
Lee D.

Dearest Debby, you have made this year in AA so much better by reaching out to me, including me in your sobriety, and I hope to get back on the walking list (although I had ankle surgery a few weeks ago so that is slow to heal). You are a miracle! Godspeed, Alane

Dear Debbie, Congratulations! As a new dog owner myself, I loved hearing about your new pup. We are lucky!
