Teacher,
thank you for helping us grow

*Ms. Wall,
Thank you for being an incredible teacher and explaining
the confusing parts of Romeo and Juliet. It makes
reading the book easier to understand and much more
interesting for me.*

Hi Ms. Wall,
I appreciate the time and effort that you have put into
teaching AP Lang over zoom this year. I'd imagine that
teaching an AP class remotely comes with many
challenges but you've done a wonderful job of making the
content understandable. Thank you for always being
available to answer questions and ensuring that students
have enough time to complete assignments.

Sincerely,
Rosalinda B :)

Hi Ms. Wall,
Thank you for being so flexible with class
and homework! Romeo and Juliet was so
confusing and weird, but you made it much
better with your little jokes about how
weird the story was. You helped me edit my
paragraphs/essays so many times and I'm
very thankful for that!
