*Dear Sue*

*I can thoroughly recommend retirement, Sue.  
I know you'll enjoy yourself but all the best  
for your last few days of teaching as well.  
Bishops - especially the Maths dept, Mallett  
House, chapel and DCs - won't be the same  
without you!!*

*x*

DEAR SUE. I DON'T KNOW IF YOU'RE LOOKING  
FORWARD TO RETIREMENT, BUT I'M TOLD IT'S HIGHLY  
RECOMMENDED – PERHAPS I SHOULD TRY IT AT SOME  
POINT. HAVE A WONDERFUL RETIREMENT WITH YOUR  
FAMILY AS YOU SPEND MORE TIME WITH THEM. I'VE  
DISCOVERED THAT THERE IS LIFE AFTER BISHOPS  
AFTER ALL.  
MUCH LOVE.

Dear Sue,

It was wonderful to be taught by you! I'll always remember you fondly  
and smile when I do. I hope retirement treats you well!

Best,

Gregory Wilsenach

Dear Sue,

Thank you for the time you put in to help us  
through maths at school. You had to put up  
with a lot of nonsense from Greg and myself.

Go forward into your well deserved rest :)

Regards,

Warren Bradley

Dear Ma'am,

Thank you for all the extra hours you gave me when I wanted them. You have always been strong and kind, and I will forever be grateful for your efforts. I wish you a restful retirement and that God will make your days incredibly peaceful!

Lots of love,  
Reece Corbett

Dear Mrs Mcpetrie

Thank you for being such an amazing teacher and person. I am extremely grateful for all of the time and effort you gave to me and so many students - your kindness, compassion and patience stand out as some of the many wonderful attributes I will remember you by.

All the best for the next (exciting) chapter of life.

Mike Watson

Dear Sue

*Thank you for always being an unfaltering pillar of support to us students. I appreciate the time spent both in the maths classroom and on the side of the waterpolo pool.*
