Hi Fab Friend

When we first heard about your plans, they seemed so far away— now they're just around the corner! I am beyond proud of you. So many of us will miss you but we're not really losing you— we're just sharing you with others, whose lives you'll touch in so many ways.

It doesn't mean I'm not going to miss you though but every time I hear anything from The Sound of Music will be an additional link to you. Stay strong. Loads of love, Ken and Kate HT.

Dear Hannah

I'm so very grateful to the Lord for your cheerful, diligent and wholehearted service both in these last years, but throughout your time at St Nic's. You will be hugely missed by us all, but you will be such a wonderful gift to those you work alongside in Tanzania.

With much love

Dear Hannah,

You been such a blessing in so many ways and I do so thank the Lord for you! I especially loved our time looking at Ephesians together (which seems such a long time ago now!). I will really miss your kindness, thoughtfulness, always being willing to muck in, to the extra mile and help put people at ease. I will also miss sharing our love of musicals both popular and more obscure (why don't more people appreciate Yentil?!)

With much love, thanks and prayers my friend, Andrea
