Aileen and myself have lost a good friend on 11/09/2020. Our friendship with your spouse, Ricky, have spanned over half a century. We used to go on driving vacations and holidays overseas when we were young . Your charismatic characters never fail to impress and your youthfulness always radiated within during those vacations we had with our families. The moments will always be treasured and remembered till we meet again on that beautiful shores. We spent many happy occasions with you, Ricky + Nerissa in those outings we had embarked upon.
You had put on a good fight till the end . Despite your inner sufferings , you had never let the dreaded disease to take control of your daily routine. You lived life to the fullest and this had earned our greatest respect and admiration from me and Aileen.
Goodbye Stella, my dear friend. You will be missed especially by the gin rummy kakis. May you Rest In Peace and enjoy your eternal journey with joy, zeal + full enthusiasm.

Chan Fai + Aileen
