THANK YOU for being you, for having the long-lasting positive impacts and influences you've impressed upon me and many others over the years, and for being transparent without candy coating anything. Your kindness, unending support, and flexibility are just a few of the many qualities I have always admired in you. They don't come better than you. May you enjoy restful days ahead with plenty of time for all the things you love in life. Beyond thankful,

Kathy,

Thank you for all that you've done for the School, undergraduates, faculty, and staff. I appreciate the talks we've had on issues and the guidance that you provided to me. Your quick wit and sarcasm were always welcomed and you only got me once before I realized that "oh, it's Kathy, she's joking!" 😊 Enjoy your retirement, 'Canes game, and recreational type things!

I have never known UMG without you being here. You were the one who hired me, and were very supportive of me as a young faculty member. As a chair and associate dean, you have always been so good about helping with the minutia and that was appreciated more than you know. Thanks for your many, many years of service to UMG. This place will not be the same without you. Enjoy every minute of this next chapter - so well deserved.

Best to you

Kathy;

Honestly, it seems like just yesterday that I started here at UNCG and you were a brand new department chair in ESS. Many changes have occurred since then, but one thing remains the same--your dedication to KIN, HHS and UNCG. You will be missed here at UNCG and I hope you will drop by sometimes just to say hello. I hope you have a long and enjoyable retirement. Just think, you get to do whatever you want from now on....hmmm, I wonder what that will be like!?!? Wishing you all the best,
Laurie Wideman

Laughing while working hard is not only a skill, but the type of model leadership we will all miss. I know I will. You've been a friend and wonderful guide. Thank you. As I told Dave, take that extra moment each morning to savor this next chapter. You've earned it!

Bob Strack

Hi, Kathy, So sorry I missed your party. I had planned to come but forgot to put it on my calendar. I emailed Larissa to find the date, and it had been the day before! I'm loving the little to no schedule retirement, but some things do slip through the cracks. Thanks so much for all of your leadership over the years at HHS. I always enjoyed working with you and valued your opinion. I hope you enjoy retirement as much as I do. I know it's a cliché, but how did I ever have time to work?

All the best,
Betsy Lindsey

It just doesn't seem real. The day has come for you to retire. You've been talking about this for years. I hope retirement is everything you've dreamed of. I hope you have plenty of time to rest and relax. I hope you enjoy your gardening, cats, and hockey without worry. You will certainly be missed. You are a true inspiration. May you find the most joy in the years to come. With all of the love,

Paul Davis

Just checked online to see if you really are retiring this year as you had planned and I learned that you are ready to pass into the retired life. Congratulations! I will miss having you in the Dean's office as my connection to the Kinesiology Department, but you have done your job well and deserve some time for yourself. Enjoy your new lifestyle. You have earned it! Miriam Satern

Kathy, you are one of the biggest reasons I wanted this position -- I've appreciated your sarcasm and honesty since my phone interview. I'm happy for you but you will be SO missed.
