

Karen, your love for
Jesus and sharing Jesus
has exploded onto
Cornerstone and we are
so blessed because of it!
May God bless and
protect your family!

Karen, Thank you for all
you have done for us
this year. Your talent
and creativity for
childrens ministry is
blessing all of us.
Sandy Hayes

What a first year it has been for you! Thanks for
taking the many challenges and creatively running
with them. You have done an amazing job! Have a
wonderful holiday season!
Karen Dare

Karen, I know you very well because I have
watched you on TV this year. You have managed to
keep our kids involved with Jesus. You do not
know me because of this devil pandemic we have
been experiencing. I will be glad when we can get
back in the sanctuary and learn our new "normal".
Merry Christmas and Happy New Year to you and
your family.
Peggy Levien

Karen,
What a challenging time to start leading Children's.
And you've done a fantastic job of adapting to some
incredibly challenging situations. And while your
Children's Moments may be directed (very effectively)
at children, I virtually always come away with some
insight that I find very helpful as an older adult as
well. Thank you so much for your leadership.
Michael Brathoude

Karen,
You are so kind and loving towards the children.
The church is lucky to have you!
Connie Cripe

*Karen- You came into this role at just the
right time for us. You have had such incredibly
creative ideas during this pandemic, and I am
so glad you are serving as our Children's
Ministry Director. May you have a meaningful
time with your family this Christmas and I
wish you many blessings for the new year.
Becky Christopherson*

You've had an interesting first year. You've done a
great job at overcoming what seemed to be
impossible hurdles. Keep up the great work.
Blessings,
Connie and Bob Allen

Karen, you said God kept pointing you to
Cornerstone. I love that His plan had you coming to
us and bringing your wisdom, energy, and grace. We
are blessed to have you leading the Children's
ministry. Thank you!
Teresa Hutchinson

Karen,
Thank you for sharing God's love with our
children. You teach them by being a living,
loving example of Christian life.
Thank you
Merry Christmas
Margie Heagerty

Karen, Thank you so much for all the ways you have been creative in this challenging time, in your first year, making Children's Ministries continue to thrive and offer curriculum to our church families and the community. I know it hasn't been an easy year for you either yet you continue to be positive and do what needs to be done. I appreciate your prayers and listening ear as well. I hope you and your family have a wonderful Christmas.

Karen,

We are so impressed with the way you have kept Cornerstone kids engaged this year! Your enthusiasm for Christ is contagious and we are convinced that you have been instrumental in bringing Cornerstone children closer to Him during this challenging year! We can't wait to see what you have up your sleeve for 2021 until the kids can join you in Sunday school again! Bless you for your dedication to the kids!

Karen,

We feel blessed to have met you this year. You have come up with such creative ways to keep the kids engaged when they can't be at church. We look forward to childrens moment each week and we really enjoyed the socially distant summer camp! Thank you for your time, efforts and for all that you do!

*Karen,
How to conduct Children's Ministry when a church
is shut down????!! You have responded to this
challenge with such creativity and such a willing
spirit to serve Cornerstone's children. Thank you
for all you've done in this craziest of years! Merry
Christmas to you and your family,

Karen - With profound gratitude and LOVE in
our hearts, we have given you the name "Mrs.
Rogers"! Yes, you do the children's moment, but
we are hooked on it, too. CUMC is beyond
blessed to have you. Thank you for the
wonderful job you do on behalf of us all!

Sending appreciation one card at at time.
