*Dear Ron and Lois Bachmann,*

*We hope you have a beautiful and refreshing Christmas holidays. We know you work very hard and we pray for your work, the many people you work with on your team, and for your family. Thanks for allowing us to share a part in that work. It is a joy to work with the immigrant ladies as they are learning English (and hopefully learning more than just English). May God bless you richly in the year to come!*

From the Bodell's

Christ holds all creation together and he is the head of the church which is his body (from Colossians 1:17-18). All of you together are Christ's body, and each of you is a part of it (from 1 Corinthians 12:27).

I deeply appreciate being able to contribute to that part of the body which is lead by the two of you. May many more people from all nations join Christ's body and find a place to serve to the glory of God.

May God continue to bless you and your family in the coming year as you follow his leading.

Gail

Dear Ron & Lois,

You are in our thoughts and prayers through this Christmas season as we celebrate the birth of Jesus and the redeeming gift that He offers!

It has been a privilege for us to have come along side of you over the years as you have faithfully served the Lord where He has led and opened doors!

May the Lord continue to "bless and keep" you through this coming year. May it be one filled with many cherished memories and a sense of Christ's presence and peace with you each day.

With Love and our ongoing prayers,

Carol & Gordon C
