Hello staff at Esperanza.

This is the beginning of a great positive change for the First Nations People.

Our prayers are that together with the unity of Christian faith you will be able to bless each other as you walk side by side with a deeper understanding of one another.

God bless you.

Fond memories of a year ago doing the concrete for the fire pit; as well as many other trips over the years. We love Esperanza! Praying that God will give good wisdom and direction as to the future of Esperanza's involvement with the people of the West Coast. Blessings to you both, hopefully we will get to see you there again.

*Hello Dave and Diane! It has always been a highlight and joy for me to come to Esperanza with New Life. I know that this has been a difficult year for Esperanza but I sense that God has something wonderful in store. We pray for wisdom and discernment for you and the Board! Blessings!

*We hear so many wonderful things about Esperanza from Janet Hitchcock and also about the challenges in staffing you have faced, especially during all the Covid restrictions. We hope and pray that God will provide what is needed to carry on this very important work at such a beautiful place along our BC coast. That you will be encouraged and given insight where needed. Thank you for all you do.

**THANKS SO MUCH FOR ALL OF YOUR HARD WORK!

It has been a few years since we joined an Esperanza trip but we have good memories. We pray for the future of the ministry, that God would provide clear vision and direction, and bring the staff to do His work on the West Coast.

We pray blessing over you as well, Dave and Diane, that He would provide for all your needs.

I enjoyed seeing Esperanza in person the fall of 2019 and meeting you Dave. We pray that you both will be encouraged to continue the ministry at Esperanza and that God will provide the staff you need.
