Barrie, wow congrats on 30 years of sobriety! What a miracle. I am so glad you are here with us in JFT. I appreciate when you share your experience, strength and hope with us. I too am an oldest girl in an alcoholic family system with ALL of the worry, anxiety & rage in the "job description." I am grateful to know that we are not alone - and that I too can connect with my higher power, a program of recovery & good good friends every day. Every day. Thank you, keep coming! Love, Kirsten
