Elliott,
With the pandemic, you were really 'thrown into the fire' right from the start. And with moving, a new community, a new church, a new family - WOW you're dealing with a lot. Challenging as this has been, you're doing a fantastic job! Thank you so much.
Michael Brathoude

Elliott, I will be glad when this devil pandemic is over and we get back in to the sanctuary. I am looking forward to getting to know you, you're wife and baby. Merry Christmas and Happy New Year. Virtual hugs,

Elliott,
You've shown such a heart to dive right in, amidst the craziness of this year. Thank you for all you do and may your first Christmas with your son be blessed!

Elliott, Thank you for all that you have done for our church. I can't imagine moving to a new church during these difficult times, without the opportunity to meet anyone in person.

Elliott,

Thanks for all your work with the kids. You've had a long, rough year, with all of the moves and awaiting your baby, but stayed positive. May you and your family have a blessed 2021.

Elliott,

We are looking forward to the day when we can once again gather in person at Cornerstone, and get acquainted with you and Kessa and Abraham!

Thank you for your flexibility and creativity as you navigated how to reach out to Cornertone's youth in this challenging time. Merry Christmas to you and your family,

What a year to take on a youth leadership position in a new church! Thank you so much for what you've been able to accomplish for our HS youth. CUMC is beyond blessed to have you. So grateful that God led you here. We are looking forward to getting to know you, Kessa, and Abraham better in this coming year. God bless you!

Thank you for your service to our high school youth. You have shown a steady hand in a time of chaos. I can't imagine starting a new job, a doctoral program and a new family during a time like this. Well done! Merry Christmas!
Joanne & Brian Heineman

What a challenging time to come to a new church in a new city and try to wrangle and impact our youth in a positive way. I'm sure it has been challenging, but you're developing a good base to build from in this next year. It has been great getting to know you more in the last couple of months as well. Blessings to you and all that you do!
Jaymes Toycen

Elliott- Thank you for coming in to Cornerstone to work with our youth during a Pandemic, impending birth of your first child, and staying with us during the eventual pastoral transition- all while becoming a student again! You are doing amazing things in this world and we are so lucky to have you. :)
Becky Christopherson

Elliott,

You (and your beautiful wife) have been a very welcome addition to the Cornerstone family. You have shown patience and a willingness to explore new ways to try to appeal to our high school students. This is a time when another virtual meeting is not something the kids want to commit to... Thank you. We are looking forward to easier times ahead.

Merry Christmas!

Margie Heagerty

Elliott,

Thank you for taking on the challenges of leading our youth group in the middle of a pandemic! It seems like a daunting task, but one you were equipped to take on!

We appreciate your efforts on behalf of our youth! We look forward to really getting to know you, once Cornerstone opens up again!

Thank you and Kessa and Abraham for joining our Cornerstone family! May God Bless your beautiful family!
