

Wow, missing you so much already!!

🥹 But also so excited for you and can't wait to see all the amazing things you'll do next! ❤️ Leah

I am going to miss you Isa but am so happy about the new job and all the excitement and growth that it will bring. You are going to be a STAR as always.

Enjoy the adventure. Stay in touch.

Carla

All the best Isa for the adventures to come <3 :)

Thank you Isa for all the hard work!

Great job addressing "incredible complexity."

Good luck on your next job!

Thank you for opening my vista on a much broader scale to solutions of complex systems within my field of aeronautics. You will be missed but I wish you success in your next adventure; that is what drives us to grow as human beings, and hopefully, along the trip on the Yellow Brick Road, you may well find solutions to the problems that hinder human progress. Good Luck, Respectfully, Greg Warren

Thank you for making my experience working with SFI wonderful!

*To say that it has been a privilege working with you is an
understatement. I am so grateful for your friendship and glad that
we will continue to be in one another's lives. Wishing you
fulfillment, inspiration, adventures and (the good kind of) challenges
in this new role. They are so lucky to have you. xo*

 They removed the "dinosaur" emoji, so here we are
with croco-bird. :) It already feels lonelier around here.
Hope you have a most wonderful time in your new role!
Onward brave voyager!
