

Wishing You

All the Best!

It was really sad to head that you were impacted by the layoffs.

You were a great help to me and the team and we will all miss you.

Don't be a stranger and do reach out on LinkedIn, if you need help from me or the team, don't be shy, just ask and we'll try our best to help where we can.

Hope you find your next adventure soon and all the best!

Edwin
