Way to go on 11 yrs !!!
The miracle of Aa is
working ODAT
Julia

*Congratulations, Cathi. You are
an example and an
encouragement for me.*

Susan

Congratulation Cathi!!
Keep it simple one day
at a time. 😊

Peter H

Cathi! Congratulations - so glad you are here!
You help me stay sober, one day at a time. I
love hearing about your growing family and
how you get to show up in family life as a
sober woman in recovery. How wonderful! It's
a long way from sneaking whiskey in the
cellar. Love your sense of humor - keep
coming! Love, Kirsten
