HILARY!

Happy happy anniversary! It has been so great getting to know you this year. Beng VMH with you has been a blast filled with laughs and adrenaline-rushed moments that are admittedly too much fun. Always love your honesty in whatever you are working through in the moment. Your solution is always grounded in recovery. Nothing better! p.s. You are a rockstar cookie maker!!!

Happy Anniversary Hilary!

Every time you speak I'm listening and listening to you has been a blast. Enjoy the journey!

Way to go, Hilary!

*Congratulations on your time
experience, strength, and honor
