

Dear Mrs. Mastrogiacomo,

I'm not even aware of 1/100th of what you do, but we're so grateful to have you at UPA, smoothing the path for everyone around you. If you're even close to as good an administrator as you are a teacher, then you must be AMAZING at it! We miss seeing you.

Love, Your students

This card helped plant a tree through the non-profit **OneTreePlanted.org**. Thank you for supporting our goal of planting 1 million trees.

Sending appreciation one card at a time.
