

This card helped plant a tree through the non-profit
OneTreePlanted.org. Thank you for supporting our goal of planting
1 million trees.

Sending appreciation one card at a time.

Dear Ms. Rogers,

I'm sure you do a hundred things that we never see, but that make the school work. You're always so sweet and helpful, and I love how you spread joy around campus. It's always really obvious that you care about the students and the school. Thank you for everything!
