

This card helped plant a tree through the non-profit
OneTreePlanted.org. Thank you for supporting our goal of planting
1 million trees.

Sending appreciation one card at a time.

Dear Mr. Yau, I know we don't see all of the details you take care of behind the scenes, but thank you for being helpful and guiding people when they need it. I hope this school year hasn't been too stressful for you, and that we can go back to carnivals next year.
