The YMCA of San Diego County wishes Live Well San Diego a very happy birthday! We are so proud to be like-minded partners in health with you for our community.

AMAZING to see how the partnerships have grown since 2010, where we have a region that can join together in response to this pandemic and continue to address the needs of our communities in innovative ways. As we celebrate 10 years of Live Well San Diego, we celebrate our almost 500 designated partners as TOGETHER, we strive for a region that is healthy, safe and thriving! - Carey Riccitelli, HHSA
