Congratulations on your time, Anne. It's pretty amazing. I was delighted to learn how our paths had sort of crossed years ago because I particularly enjoy your humor and message in our meeting. And I'm glad to know you here!

Anne!!!! Congratulations, dear friend! What a miracle, all those days in a row! So glad you are here with us in JFT. You really help keep me sober one day at a time. Thank you for showing up in your full, wonderful, outrageously sober self. Keep coming! so much love. Love, Kirsten RH
