Guy,

Man, man, man... I will miss you!

It has been a great pleasure knowing and working with you. Thank you for always being so kind, for offering a shoulder and ears to cry whenever I was angry or upset, and then some wise words to show me that there is always a way forward!

wish you all the best in everything you do!

Good luck with the next job. You know it will be hard to find better work colleagues than us (and between us, I know that the Money Squad will always be your favourite one!!) 😊

It was a big pleasure to work with you, Guy. All these funny activities at our meetings will always be with me. You've done so much for our team!!! It was an amazing journey, and now I wish you all the best, have fun, and good luck.

Thanks Guy. It was always good working with you. I hope we did not give you too many hard and confusing and stressful times with our overwhelming lack of common sense and structure and clarity and commitment... 😊 Well I guess we also learned a thing or two. Good luck and lots of fun.
Ruud

Thanks Guy. It was short but nice time working with you. I liked our 1-1 meetings with you where we interacted more and was fun. Thanks again for all your support, Wish you luck and success for your future endeavours.
