Dear Director Rodenzo,  
Congratulations on your admission to Michigan State University. Their mascot is the Spartans, which doesn't describe you very well. The Spartans were famous for being laconic and harsh, and were excluded from Alexander the Great's successful military campaign. By contrast, you are eloquent and kind, showing everyone that the power of inclusion can repel mighty foes, like the Persians, or the Dark Ages. Keep using unity to advance Spartan civilization!

Sincerely,  
Joseph
