My deepest sympathies to the Abutin family. Eric was simply the best, a smile for everyone, a check in always. I worked 200+ miles away from Eric but whenever I got to "SEE" him, "TALK" to him, my day was better. Eric made this whole world a better place - he will be missed, he is adored.

I am so saddened with this news. Eric was a genuine kind soul that touched the lives of many. PIER meetings will not be the same without him. Sending strength to his family during this incredibly difficult time. - Isabel Martorell.

Eric was a leader in PIER San Diego, which is how I met him. Attending a PIER meeting can be daunting when so many people already know each other, but Eric was always welcoming and friendly. His kindness impacted me, and many others. My deepest condolences to your family at this time.

Words cannot express the sadness I experienced when I learned of the passing of your beloved Eric. I'm a member of the PIER community and he was such an important person in our world. Eric will always hold a special place in our hearts and he will be missed and thought of often.
Many blessings and prayers,

This is so terribly sad. Eric was definitely a colleague I looked up to at PIER, where I had the good fortune of meeting him and serving with him on board. He always had a quick smile, never gets flustered, and always had an answer to every question. He was easy to talk to, always kind, and most often had a solution to every problem. He was a steady force in our organization; an amazing leader who always got things done. My deepest condolences go out to the loved ones he leaves behind. We will miss you lots, Eric! If anything, I got the impression that he loved his family very much.
