Congratulations,
Melody, on one year,
one day at a time,
sobriety. I wish you all
the best in Montana!

Congratulations! wow! I'm so grateful for you, and so
glad you found JFT. Congratulations on your move to
Montana, too. I know it's stressful and also exciting
and I love picturing you sitting beneath an impossibly
blue sky, by a river, a book in your lap as you gaze
out to the beautiful mountains. I'm so grateful for our
connection over books. Sending you many hugs!
Scottie M.

Melody, congratulations on
one year! During a difficult
time, you worked the
program for 365 days!
Always happy to see you in

It's been wonderful to see you go from rehab to fab!

Please continue and then help another find this amazing gift of sobriety by passing it on and on and on.. (dancing in September...on and on)
