To all the teachers We are more thankful
than We can express.

Thanks to all the teachers for their help and
understanding to Frank. Since they have been
attending classes remotely and cannot
communicate with teachers face to face, they
have been restricted and affected in many
aspects.

In order to make the course more effective, the
teachers gave Frank extra guidance and help
during the epidemic. I was deeply moved.

Christmas is coming, I sincerely wish the
teachers a Merry Christmas!
