Anna,
It's been such a joy to get to work with you in so many different capacities over the last 15 years! The last three in particular have been the most rewarding. Thank you being such a great partner, leader, and an inspiration when it comes to tirelessly working on behalf of the university. I will miss you more than you can imagine (especially our 1:1's where you just let loose on me everything that sucks!)!! Words can't express my gratitude and honor with working with you.

Alicia

Anna,

I hope this next chapter is filled with fun, travel, dogs and anything else that brings you joy! You really deserve to enjoy this time.

All my best!

So happy for you. Retirement is a whole lot more fun than work, only problem is you wind up busier than when you worked.

Anna , I am so sad to see you go, but so happy you get to retire. We have had some pretty good times and you have made working here a whole lot of fun. I learned a lot from you and from working along side you for 15 years (15 Years!!) Wow! Just the looks we shared over the cube wall witnessing the madness going on around us would fill volumes. I know you will enjoy working on all your projects and visiting family -- just don't forget to check-in with me once in awhile.

Greg

Anna,
Congratulations on your retirement! You will be sooo missed in our office. We have some fun memories of "The Office" moments and crazy times. Have loads of fun and do all the things you never had time for before!
Lesley

Anna,

We have not had a chance to interact often, but every interaction was wonderful and I am sad to see you go. UFS Customer Survey results show that your customer service is excellent. I hope you enjoy your new adventure.

Anna,

Thank you for always taking the time to answer my questions, and with a smile too. You are going to be missed. I hope your retirement plans are full of all the things you haven't had time to do, and that those things are more from your fun list vs to do list, LOL. And maybe some new things you never thought you'd have time to explore. Enjoy yourself - you've earned it!

WAKING UP AND TRYING TO FIGURE OUT WHAT DAY IT IS

Anna, you lucky dog, you! Congratulations! I hope that you have a blast! I have enjoyed working with you! Some of my favorite memories are of conversations over-the-cube-partition in the mods...Good thing you had Greg & I to talk you through getting a new car (guess the car's not so new anymore!) & dog drama! You were always showing us quicker, super-secret ways to get around Boise, when we weren't "stopping by the club" on the way back from birthday lunches! Enjoy!! I will miss you!
-Shannan

Hi Anna, I wish you nothing but happiness and relaxation in your retirement years. I feel eternal gratitude for all the times that you helped troubleshoot pcard issues for me. You were always patient and empathetic. You understood how busy jobs are for those in an administrative support role and never implied "well, you should know!". You were a real model for customer service at Boise State. I will always be grateful. I am glad I got the pleasure of working with you. Happy retirement!
