Hi Miss Catherine!

Happy Teacher's Appreciation Week! I took your acting course in 10th grade and it'll always be one of my favorite elective classes. Your appreciation for performing arts always made me so excited to learn. I was also part of the WINK program and appreciate how determined you were to make everyone feel included. Thank you for always bringing such positive energy wherever you go and for being an awesome teacher! I'm going to miss you when I graduate!

Sincerely,
Rosie Baeza :)
