David,

So sorry to hear of your diagnosis. I am hopeful that  
the cancer has not spread to any other parts of your  
body and that the prognosis will stay good! You  
have been an absolutely integral part of Troop 3 for  
me, and a great mentor and guide for how to lead the  
Troop and help the Scouts. Grateful for your  
leadership and friendship over the years - look  
forward to many more years together!
