Happy birthday Mrs MoT!

I am what your hubby would call a "lurker," meaning that I do not participate actively in his site. However, you have been in my prayers daily since I read that you have not been feeling well. I hope you will enjoy your special day even as you battle through your treatment...and know that all of the "watch geeks" are sending hugs your way! Split-Time from Alabama

*Happy Birthday.
To your best year
ever!!!

Soul is stronger than anything that can happen to us. I wish you a speedy and satisfying recovery, and a very happy birthday.

Un abrazo y felicidades!
"Conchita Turtle", from Spain.

Best wishes Mrs.
MoT and splendid
spirits to your
family. All those
watches Mr. MoT
purchased over the
years bring us to
this place and these
heartfelt wishes for
a speedy recovery.

*Happy Birthday
Mrs. MoT!!! We
hope you can
enjoy some of it,
and just know that
we will be thinking
of and praying for
you. And thanks
for tolerating
MoTs obsession
with stats and
allowing him to
provide a safe
space for us watch
geeks. All the best,
Mr. and soon to be
