Kim - Thank you for being such a wonderful CHILD Champion, colleague and friend. Your brilliant KT and PE work has been instrumental in the study's success. I have so enjoyed working with you to make CHILD World Famous! I can't thank you enough for the many ways you have supported me and CHILD over the years. I will miss you loads, but I am so happy for you to embark on the next phase of your fabulous life.

Meghan Azad

Hi Kim,  
It's been great working with you on the CHILD Study. Hope you have a great retirement and lots of things to keep you busy!  
Geoff W.

*Thanks for the great years of laughter and grammatical obsessiveness. I know you'll be a pro at the retired life. My mom always likes to point out that "retirement" in Spanish is "jubilación." I'm sure you'll make it live up to that! Wishing you everything good -*

*Marshall*

Kim, I'm definitely sad to see you go, but so happy for you! Working with you over the past year as I joined on the CHILddb and got to know you and the rest of NCC has been a great experience. Enjoy all the travelling and everything else you'll do in retirement!

Justin

PS - If your travels ever take you to Vancouver Island, please don't be a stranger! 😊

It was my pleasure knowing you Kim. I wish you a happy new life and I'm looking forward to seeing you again in the near future.

Dear Kim,

It has been an absolute pleasure to have been able to work with you. I have learned more from you over the past year than my entire Master's degree. Thank you for your patience and willingness to help me grow at CHILD. Your continuous support and guidance gave me the confidence to take on new challenges. I am sad that I won't be able to see you at the weekly NCC meetings anymore but am excited for you and Dave during the "go-go" phase of your life. Enjoy all the tennis, trips and competitions. I wish you all the best!
