Cat, its a fond farewell. Really enjoyed working with you and being part of the journey to set up TBF. It was never easy corralling all those rowdy BID managers. Good luck with your next adventure. Hope to see you for a glass of white after all the craziness ends.

Stefan & Norwich BID

Cat - really sorry to hear that you are stepping down. Whilst I have no idea about the circumstances, you have clearly gone through an extraordinarily tough time and so I hope that things are improving and wish you all the very best from myself and the Heartflood team. Keep in touch and I hope to see you in the future under better circumstances. Very best wishes.
Chris Gregory

Hi Cat, all the best from Salisbury, especially fond memories of those early Salisbury/Winchester days when we first met - really enjoyed our coffees and catch ups and then again with TBF and sometimes something stronger!!

Stay safe and well and hope our paths cross again in the future.

Best wishes to you and yours.
