Thank you for going the extra mile to encourage and motivate the children to engage with home learning and for organising all of the fun activity days over the last few weeks! 😊

The Warnaby's

We're always so grateful for our wonderful schools - particularly in the last year. The children you nurture and develop are testament to your care, time, dedication and sheer grit through the most difficult of times. We couldn't ask for a better school to call home and be part of.

The Stanburys

Well done for all your hard work. We do appreciate it.

What fantastic organisation and a wealth of great online education. The google classroom worked well and it was so nice for Oakes to see Mrs Wellings and all the Mulberry staff and pupils. The school has already exceeded our expectations and it's only YR!
The Bennimans

Just wanted to say a huge thanks to everyone at Berrynarbor School. Not once have any of the staff not been their usual cheerful selves. They've spent so much time planning & re-planning & it must just be so exhausting & confusing. Thank you also for planning the amazing activities for the children. Angus has thoroughly enjoyed them. You are all amazing and caring people & we feel so lucky to be a part of Berrynarbor School during this difficult period of time.

"A HUGE THANK YOU TO YOU ALL!

Your hard work during lock down didn't go unnoticed and the icing on the cake has been the smooth transition back to school.

Still learning but with FUN AND LAUGHTER! Mental health is just as important and you guys have the balance just perfect! Enjoy your break x"

Thank you to Mrs Welling's and all my teachers for helping me homeschool through lock down. I loved reading with the class, building the windmill and learning about weather. You all worked soo hard and the feedback helped me know how I was doing along the way. Big thank you from Mummy too as she couldn't have done it without your support. Love Elspeth Thorne.

We can't thank you enough as a family for all your hard work getting us through the past year. I personally can't imagine how tough it was to organise and keep the children in a steady routine but you all managed it so well. Couldn't ask for a more caring primary school. You rock West Berry Federation!!
