

Thanks a latte!

Mary, thank you so much for an amazing summer class. I wish we could have traveled and met you and the students in person. Hopefully one day we will all see each other. Thank you again for being such an amazing educator, colleague, and now friend. I look forward to meeting you in person someday and getting FOOD!

Haha.

Aloha, Taylor

*Mary! Thank you so much for always being so happy and enthusiastic about hearing our opinions and talking with us. I really loved doing the exchange with Senegal (but I wish it had been in person, of course!) and hopefully you guys can come visit us in Hawaii sometime. Thank you again!*

Mary, thank you for working with our class. Although we couldn't meet you in person, I really appreciate the time you and your students took to meet with us virtually and share about your culture and lives. It was very interesting to learn how similar and yet different the cultures of Hawaii and Senegal are. Hopefully you can come visit Hawaii!

Dear Mary,  
Thank you for taking the time to talk with me and my classmates even though our trip got canceled. Without you I wouldn't know anywhere near as much about Senegalese culture and lifestyle as I do now. You have been very kind to all of us and it's very much appreciated.

Mahalo,

Tim

Sending appreciation one card at at time.
