*Dear Manju,*

*Thank you for being your kind, wonderful self! You were patient and so helpful when I first arrived at UC Davis in August of last year. You made everything seem easy and was always willing to answer my questions. You will certainly be missed.*

*Enjoy your retirement and all that your heart desires!*

*Stacey*

*Manju, although my brain is still reluctant to accept COE without you, I hope you enjoy your retirement very much. We will miss you deeply as you had defined us being the amazing person you are!*

Manjul!

Congrats on your retirement! You have given so much to the College of Engineering and to UC Davis over your career! It is truly inspiring. Thank you for always being an amazing mentor to me. You taught me so much while I was at the COE and beyond. I will always miss the party that was the Dean's Office Suite and miss laughing with you from across the hallway (especially over scary foreboding tarot readings).

Congrats again and I wish you the very best in your retirement!!!

Rachel Taylor Geier

We are so grateful for your thoughtful contributions and quiet leadership in the college. My team and I are very "high energy" so it was great to have your calming presence in the 1042 suite.

I will miss our Diwali celebrations together and chatting about our families. Congratulations on your retirement! Wishing you good health, prosperity and joy ahead (OK, it's Holi, not Diwali, but it looks fun!)

Enjoy!

I can't believe that you were able to pull the plug before me. These 20 years working with you have had many ups and downs but I'm so glad that we had so many opportunities to laugh about the outrageous things that we have worked through together. Have a great time on this next part of your journey and send some pictures so that I can be jealous.
