Dear Liz, among the critical moments in 2019 -20, you listened to my request for a key note speaker to include in our fundraising event. As it turned out, that wonderful speaker did not come due to the Pandemic.

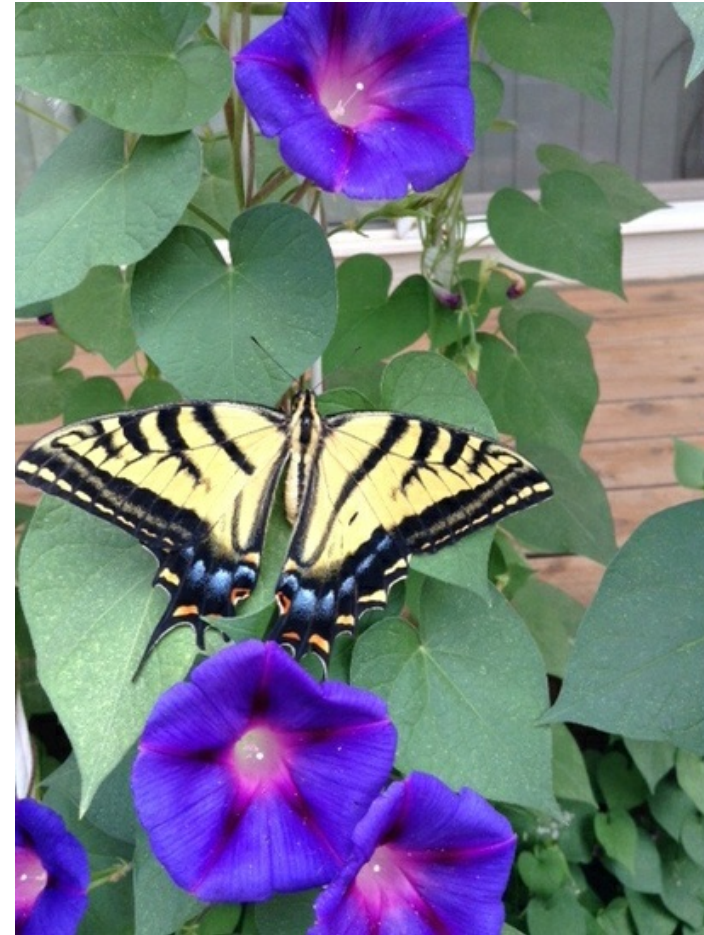

Our fundraiser had to transition to an online auction. We were successful due to our heroic members and community donors.

I am so very grateful you called with that thoughtful recommendation.

It is with deep appreciation for your attention and appreciation of our need.

Grateful for You,

Hi Liz, You are amazing. You have done so much to help Soroptimist International of the Americas and the women and girls we serve locally and globally. Last year I emailed you about an issue I was having. I thought sending this email would be just a stab in the dark. I never really thought I would ever get a response. I was shocked that you responded to my email within 24 hours. Your response was better than I ever expected. You have no idea how valued that made me feel. I sincerely wish you all the best in your future endeavors. YOU WILL BE MISSED!!
