Comfort Michael and his Beautiful family during their pain, calm their fears, and surround them with Your peace. When prayers go up, blessings come down. Our prayers and Love are with you and the family, we are praying that Michael has a speedy recovery! In Jesus' name, Amen.

Hello Mike and Maggie, on behalf of Devere, Rosalind, and I, I want to wish you a speedy and successful recovery. I cannot even imagine what you went through and are still experiencing. We will continue to remember you in our prayers. We know that you are a very positive person so we know that you will not let this setback diminish your enthusiasm for life. We know that you will put the necessary work in to be, "standing tall" in the not too distant future. Take care and God bless.

Hi Mickey,

I was so sad to hear what happened to you in Barbados. You are strong and such a fighter to get through this time and start the road ahead so that you can get on that plane back to Canada. I'm thinking of you lots and wishing you gentle days ahead as you recover. Know that you are very loved and you have lots of people cheering you on in your recovery!!

Much love,

Cindy, Taryn and Alyssa Owens ❤️

Mickey, know that you are in our prayers, constantly - may your recovery be swift and pain-free. Wishing you God's richest blessings.
