Ken:

I will so miss working with you on behalf of TAS and MoTAS. We've done so much together since you joined us back in 2016. We worked together to select the music for the MoTAS Tu B'Shevat Seder and the MoTAS Passover Seder -- selections that will be a legacy for years to come. We worked together on the Allan Sherman concert. We've worked on song sessions for the Shabbague. We've had a shared love of Jewish music. May you have many years of joyful, spiritual Jewish Music to come.

Daniel Faigin

Cantor Ken,
It has been so wonderful to hear your voice every Shabbat. I also truly appreciate your leadership you gave during the entire process of Rabbi Lutz's departure and the interim Rabbis. Without you as a constant, we would not have survived. I hope your life is enriched by your association with our community as much as mine and Laurie's life has been. I wish nothing but wonderful things for your future.

Chuck Mondrus

Cantor, there are no words, we're all going to miss you. You've done so much to keep TAF alive, it's hard to envision our congregation without you. Best wishes wherever you go, please keep in touch.

CANTOR KEN:

I AM SADDENED BY YOUR DEPARTURE. YOU HAVE SO MUCH TO OFFER WITH YOUR WONDERFUL VOICE AND KNOWLEDGE. FROM OUR ONE SESSION TOGETHER, I REALIZED HOW MUCH MORE YOU HAD TO OFFER. I DO NOT KNOW WHAT IS NEXT FOR YOU. I WOULD LIKE TO MAINTAIN OUR FRIENDSHIP AND REMAIN IN CONTACT. I CAN CERTAINLY FIND THINGS OF VALUE TO HELP OCCUPY YOUR TIME IF YOU WILL HAVE ANY OPENINGS IN YOUR SCHEDULE. SADLY, I WILL BE OUT OF TOWN FOR YOUR TAS FINALE. LET IT MARK THE START OF FURTHER GREATNESS.

MARK

MARK R. MOSKOWITZ (AKA, MARK THE MUSIC MAVEN)

I remember how excited the entire congregation was upon your arrival, and listening to your demo tapes of that wonderful voice of yours. The beautiful way you took charge, when our cute temple was in need. Now after so many years with us, you're like the new born baby who has grown up, and is leaving the nest. We will all miss you, and wish you much happiness in your new adventure.

To the Adventure, may it be fulfilling in every way possible.

Warmly.

Gina Ryskind

Cantor Ken,

We are so thankful for your presence at TAS. Your spirit, kindness, and gentle ways nurtured our congregation through some difficult times. You've been a great support during our parents' health challenges, for which we are eternally grateful. I have been especially touched by your encouragement to join the Choir, to chant Torah, and for your invitations to join you in other musical ways. We cherish the years we've had with you and wish you all the best.

Joe and Robyn Blachman

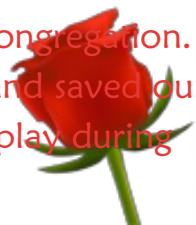

Dear Cantor Ken,

With love,

Dear Cantor Ken,

No words can adequately impart to you our sadness at your departure from TAS. But, we will have sweet and wonderful memories of your presence at TAS. Your back pew girls will never forget your overwhelming kindnesses to us each time we met. We still owe you a brisket dinner. You have an open invitation to visit us in "Mormonia" (AKA Utah). For now, wishing you every good thing as you continue your journey down that magical musical road.

With Love,

Sandy Robinson & Karen Jaye

Dear CK

I cannot begin to express what it meant to our family having you with us when baby George was undergoing his open-heart surgery. Your warm, compassionate and caring words and the time spent, will stay with me forever. And the best part is, the two of you share the same birthday [although a few decades apart]. As for me personally I am saddened that you are leaving the temple yet optimistic that your next journey will bring you immense joy and satisfaction in whatever you will be doing.

The various Erev Shabbat services 'performed' to different musical styles were quite fun and working with you to create and publish various forms and 'Playbills' was very gratifying. Please know that I consider you a good friend and confidant and I look forward to having many casual or not so casual occasions to get together when we can during the years ahead. ☺ ☺ ☺

Best wishes and many happy years,
Larry and Nancy Pfefer

Cantor Ken,

The first time that we talked, I knew that you were bringing something special to Temple Ahavat Shalom. Your presence and contributions have left an indelible imprint on our congregation. When we were without a rabbi, your Shabbat services which featured lay members were instrumental in keeping the temple family united, focusing on Judaism and Jewish teachings.

Whatever organization you associate with will be fortunate to be the recipient of your knowledge, wisdom, and your humanity.

Bill Shapiro

Cantor,

The world is better place for you being in it and I consider myself a lucky person to have eperienced your friendship. You are a joy to talk to, listen to, and play golf with.

I am truely saddened that you must leave us and wish that our paths cross again.

שְׁלוֹם עֲלֵיכֶם

Alan Stepakoff

Cantor Ken,

I am very sad that we were unable to retain you, especially after all you did to keep our temple together when we needed that leadership most.

You are the poster boy for support among members in crisis, often spending hours each day with them when other members of the clergy only made cameo appearances.

Your selfless style of leadership, always doing the right thing, keeping a positive attitude, and never saying anything bad about other people will be missed.

Yollis Family

Cantor Ken,
Thanks for your support and being there for us and TAS.
We wish you the best.
Michael, Laura, Stephen and Shayna Rabin

*Thank you for helping us get through a very
tough time.
Helene & Fred Kimmel*

Dear Ken,

Laraine and I wish you the very best in life as you transition to new adventures. You provided so much spiritual and compassionate support to TAS and individual members at a time when our temple was floundering. Your ability to communicate and emotionally support members in need will be missed as much as it was appreciated. Few people know everything you have done to bring comfort to so many. We will miss your smile and enthusiasm.

Go with our best,

Howard and Laraine

Howard and Laraine Miller

Dear Cantor Ken,
Thank you so much for adding joyous music to our Shabbats and holidays.....And Thank you for your caring phone calls when we were grieving.

We wish you Joy, Success and Satisfaction in your new endeavors

Thanks Again,

Cheri and Jeff Neiman

I will miss you. I will miss your beautiful voice, your scholarship, and your creativity. Your kindness and caring are evident, and I'm still thankful for your leadership in the between-days as the congregation was on rocky ground. You helped the congregation to survive, so we didn't have to become "wandering Jews". Menschlichkeit will win out. Please keep in touch.
Karen Davis

Cantor Ken,

Words cannot begin to sufficiently express our gratitude towards you for all you have done for us and our congregation. Your emotional support for our family during some of our darkest times, and your happy exuberance during services will not soon be forgotten. We wish you all the luck and happiness in the world on your new endeavors.

Love,
