I have fond memories of my Dad dropping me off at granny's and playing in the garden with my cousin's and teasing the dog then getting cussed for it.

Watching her brew up her Mauby drink and sneaking me bacon bits when my dad wasn't looking.

I didn't get to spend enough time with you and you never got to meet you latest Great Grandchildren but know we love you granny and the girls have your temper for sure ❤️

Aunty Mem was like a second mum to me and saved my life many times.

I will forever remember your pancakes, buns and marby.

May you rest in eternal peace.

My poem to you Granny <3

I will miss coming into your room and having a cuddle and a picture.

But I have lots of pictures to keep safe to remind me in the future.

You wasn't just any granny you we're a funny one to

My name is Renzel but only to you.

I will miss you telling me 'put on some shoes'

It wasn't cold you just liked the heat.

Im just so glad we got to meet.

I will watch the stars shine so bright.

Up in the sky is where you'll fly.

I love you granny
