a note to say

We hope you have a beautiful and refreshing Christmas. We know you work very hard and we pray for your work and for your family. It is so thrilling to see God change the lives of people that many people would give up on for hope that they would ever change. But God doesn't give up on any of us. Did you ever imagine that God would be using you as He has and does now when we were all just young folks at CBC/CTS when we met? God is amazing!

Bill and Linda Cook

Dear Danny and Vera

We thank God for you and your family and pray for you each day. Thankful that He is with you in all the trials you and your family are presently facing. Praying God will bring healing to your family and give each of you His strength and peace. Thankful for how God has used you to be a light and encouragement to so many in Serbia and beyond for so many years. God is faithful and you continue to be faithful in serving Him. Thankful for Jesus - our all-powerful, all-wise Savior who came to earth as a babe to defeat sin and death on our behalf. May God abundantly bless you and your family at Christmas and each and every day! 🎄

Dear Danny & Vera,
You are in our thoughts and prayers through this Christmas season as we celebrate the birth of Jesus and the redeeming gift that He offers! It has been a privilege for us to have come along side of you over the years as you have faithfully served the Lord where He has led and opened doors!
May the Lord continue to be with both of you and your family through this coming year. We pray that He will "make a way" for each one to rest in Him and that He will surround you and your family with a sense of His presence and peace and give wisdom and direction for each day.

With Love and our ongoing prayers for you,
Carol & Gordon C

We continue to pray for your health and strength in your service for the Lord. May He provide all of your needs and make your ministry flourish. Wishing all God's special blessings for you and your family to have a Wonderful Christmas and a Happy New Year.
Love in Christ, Al & DiAnne Everitt

It has been a pleasure to include you in my prayers for many years. I pray also that the eyes of your heart may be enlightened....
Ephesians 1:18-19

Thank you for what you do. May you have a wonderful Christmas and a safe, healthy and blessed New Year.
With love and His light Ruby Geake

As I reflect on the nativity story I'm struck by God's kindness. He sent an angel to Mary to explain what was going on. He did the same for Joseph. Then months later when the time for the baby's birth came and it may have seemed like things were not going quite right (no room), God sent an angel to the shepherds who then came and found the baby Jesus and His parents. As they told what had happened, we're told that Mary pondered all these things in her heart. What an encouragement it must have been to be reminded that the sovereign God was still in charge and what she had heard all those months ago was being affirmed. We pray you too will experience God's kindness this Christmas.

Ron and Lois

Praying for you both this Christmas season! I know there are so many unknowns and so much unsettledness in the world, in our families, and in our hearts. But I pray that you will experience God's peace throughout the season. That you will somehow get a glimpse of what it means that God incarnate came to earth... for us! That's hard to wrap your brain around!

I will be thinking of you as I put the white doily on my Christmas table! You are loved, prayed for and thought about so often by so many around the world!
