It was a leap of faith for me when I said 'yes' to Pastor Steve to be a member of the intern committee - and I'm glad I did! It has been a great experience to see you grow in confidence and faith. I trust that God has great plans for you and that you will continue to grow and spread the Good News. We will miss you!☺

Being a part of worship, I guess we met soon after you arrived. You have been a great addition to our staff and church family in these unprecedented times. I've enjoyed and learned from your sermons and won't forget outdoor worship when there was a medical issue and we just looked at each other and mouthed behind our masks "keep going" Good luck on your next adventure!
