Remember the time in the main office at JCC that I was dealing with a difficult phone conversation? You helped me stay calm and gave me directions on how to end the conversation in a kind, but firm manner. Thanks for consoling me through the tears! I am so looking forward to hearing about your new adventures.

Much love and gratitude,
Jayde

Seriously, Marci, you couldn't have waited four more years? We will miss seeing you at pick up and in the hallways. We appreciate that you would often still be there if we were a minute or two late. Thank you for all you did for everyone. By the way, we still expect a vacation postcard as you have not retired from being our friend. 😊 Love from all of us! The Hashimotos.

I'm going to miss you!! ❤️

Marci, I think you may be one of the easiest people to
talk to. Every time I came in your office you were so
warm and welcoming! Thank you!

Maybe we'll see each other on the camping trail some day
and if so, we can share a whiskey by the fire. Cheers to
you.

My Dear Friend,

*Oh, how I will miss you! You have been my "constant"
during my years at McGillis. It was you who encouraged
Dennis to hire me and you have answered my endless
questions with patience, grace & smiles. And I will never
forget the kindness you & your family expressed to Peter
during his run for County Auditor & to me at his passing.
And I got to teach darling Katie!*

*I am wishing you joy, clear skies, open road & rest during
your well deserved retirement!*

Lou Ann

*Marci, wow, where would McGilliis be without you?
Where would I be?!? Thank you thank you for your
love, support, advice, expertise, and of course your
laugh. Your laugh has always been a part of my
McGillis experience. You are going to have too much
fun in retirement! I can't wait to hear your laughter
and share a drink with you at Red Butte shows.
Lots of love to you!*

I would be more upset that we were only able to work together for just a few short years if I didn't totally understand the joy you will experience being able to head out camping as often and as long as you want! Thanks for being a joyful colleague and I wish you the best of nights sitting at the campfire! FYI - the Bear Lake campsite in Garden City is just across from our place, so be sure to arrange a stay up there near us!

Kevin

I WISH YOU MANY ADVENTURES AHEAD! I'M GRATEFUL TO HAVE SHARED COUNTLESS EARLY MORNING CHATS IN THE FRONT OFFICE. THIS ISN'T GOODBYE, IT'S MORE LIKE: "OVER AND OUT FROM THE PARKING LOT, HAVE A LOVELY DAY!"

BIG HUGS!

BROOKE McDONALD

Marci, Thank you for your years making the school such a bright and welcoming place. Julian (2nd) told me that seeing your big smile in your photo always gave him the confidence to know that he could accomplish even tough tasks. I am sure that he isn't the only student who felt that way. We'll miss you. Best wishes in all your future endeavors!

Marci,

Now that you are retiring who is going to ask me "who invited you" and try to get me to leave the building? I will miss you, your fantastic energy, your laughter and of course your sarcasm. You won't admit it but you will miss me. :-) Have a great retirement and make sure to spoil Brian. McGillis has been a better place with you there.

Love you!
