Thank you for being a great history teacher this year. I have learned a lot from you.

Hi Mr. Guevara,
This year's history class was really fun!
Even though it was online, you figured out how to make it interesting and adapt to the situation.

Dear Mr. Guevara,

This year having history online was awesome. I really appreciate you believing me as a SCRIBE and encouraging our work! Thank you for doing all of this. On top of this, you have given us very usefull information to succeed in life, not just one subject.

Happy teachers appreciation week!

Your student,
Anish Raj
