**Hello Ms. Verapinto,  
Thank You for making this distance learning a much  
easier experience since you are teaching us a new  
language which can be tough in class. I just want to  
say Thank You.**

Hi Ms. Verapinto! Thank you for being my Spanish teacher for two years in high school. Sorry I always mess up when saying numbers or end up saying something dorky when you call on me! But I really like your teaching style and the jokes that you make in class and I want to continue to learn Spanish when I go to college!

**Hola Ms. Verapinto!**

**I really enjoy having your class 7th period because it's  
always a positive way to end the school day. Thank you  
for being patient with me when I'm struggling and for  
making Spanish class entertaining. You are such an  
awesome teacher and I'm going to miss you!**

**Sincerely,  
Rosie B :)**

Thank you for helping me grow as a student this year.

This year, I had a lot of harder classes, and Spanish 2 was no exception. At first, I would not study for anything, and my grade reflected that. However, I have gotten better at studying, and I wanted to thank you.

Thanks,  
Joe Wong
