Dear Mrs. Pettit

*Thank you so much for being such a great teacher for math. I really
appreciate your efforts towards teaching such a difficult subject, on top of
that, you were able to help me with another level! Happy teachers
appreciation week!*

Hi Ms. Pettit!

**Happy Teacher's Appreciation Week! I still remember your 8th
grade math class and what a positive experience it was because you
always encouraged students to do their best. I also had a lot of fun
reading the letter I wrote in 8th grade to my 12th grade self. That
was such a fun assignment. Thank you for being a fantastic teacher!
I'm going to miss you when I graduate!**

Sincerely,

Rosalinda Baeza :)
