Impermanence is so hard to fathom! I couldn't believe it when the news arrived. Dear Simon, please Rest In Peace. It devastates me to realize that this photo is the last moment I saw you in person. You were so happy, surrounded by your beloved ones. Words cannot express my deepest sadness, I just want to say farewell to you - a kind, caring, smart, and humble friend. I feel thankful for having met you in this impermanent life. Will miss you greatly!!

Liebe Eltern von Simon,

Simon und ich haben uns im Bachelor in Maastricht kennengelernt und als Freunde beschlossen den Master ebenfalls dort zu machen. Zusammen mit Iva haben wir viel gemeinsame Zeit in Maastricht verbracht. Es gibt keine Worte für Ihren Verlust. Lieber Simon,

ich habe nichts als positive Erinnerungen an dich. Du hast immer so eine Freundlichkeit, Besonnenheit und Ruhe ausgestrahlt. Die Nachricht über deinen frühzeitigen Tod hat mich tieftraurig gemacht.

Mit dir geht unserer community ein engagiertes, kluges Mitgefühl verloren, und vor allem ein lieber, hilfsbereiter und warmer Mensch. Wir werden dich vermissen.

"An honest man here lies at rest,  
The friend of man, the friend of truth,  
The friend of age, and guide of youth:  
Few hearts like his, with virtue warm'd,  
Few heads with knowledge so inform'd;  
If there's another world, he lives in bliss;  
If there is none, he made the best of this."

Dear Simon, I will always remember that student with  
a serene smile, with the inquisitive questions, the one  
who wants to make the world better, the one who  
helped those who asked, who volunteered his time and  
effort, and the one who left us much too soon. You will  
be missed dear Simon.

You simply can't remember Simon without that smile  
on his face. Such a gentle, funny and smart guy.  
Always there to help out, lend you his critical and  
witty mind or just to share a laugh.

I wish his family and friends all the strength they need  
to cope with this most challenging time. Let it be a  
consolation that his memory lives on with so many  
people.
