Nancey,

You are a wonderful colleague. You were one of the first colleagues I remember at Humber because of your great training sessions - you made us better - one teacher and staff member at a time. Thank you as well for your leadership on the employee engagement committee. I am sure it was not easy but you always lead with a calm, responsive presense. You will be missed Nancey. Without you, the halls at Humber will not be as friendly or supportive. All the best in your retirement - you deserve all the best.

Happy Retirement Nancey,
A special era that you made possible has ended. None of the special SSAW would have been possible were it not for you and the Team you put together. Like you, these weeks were full of sunshine and insight and made such an impact. Although, I believe you enjoy being in the background, you could not help shine as your fearless spirit came to life putting 150% effort in everything you did.

Wishing you all the adventures your heart desires but mostly happiness and health to enjoy your time. . . . Big Hugs . . . Sandra

On behalf of the Advancement and Alumni team, thank you for all your contributions to Humber – including being a grad and a donor – I have enjoyed the past 13 years of getting to know you and work with you. From your time as a volunteer on the Humber Gives committee, and when I sat on College Council, to all those crazy fun events where you also dressed to the nines according to theme. Your creativity, energy and spirit were always such great qualities and you always made Humber a better place. I wish you sun, fun and adventure in this next chapter.
