TEACHER,
WE APPRECIATE

Hi Mr. Dhillon! Thank you for being my calc teacher this year! I enjoyed getting to see your pets. I am scared that the snake might eat your bunny.

Hi Mr. Dhillon!

Happy Teacher's Appreciation Week! I had you as my IM2 teacher in 10th grade and your class was always so much fun! I appreciated your willingness to help me out during lunch or after school when I didn't understand something. Thank you for being an awesome teacher!

Sincerely,

Roz (Rosalinda Baeza) :)
